

Team Experience66

Team Inventory
September 19, 2026

Team Members:

Ethan Meyer, Manjot Kaur, Moraa Morara, Nasya Valenzuela

Client:

Mike Talyor, Mark Manone

Mentor:

Scott LaRocca

Overview:

The purpose of this document is to introduce the team members of Experience66. It provides an overview of each member's education, relevant experience and skills highlighting the team's background and strengths that support the team's missions.

Ethan Meyer

- **Major:** Applied Computer Science
 - **Hometown:** Casa Grande, AZ
-

Education

- **Institution:** Casa Grande Union High School
Location: Casa Grande, Arizona
GPA: 3.8
 - **Institution:** Northern Arizona University
Location: Flagstaff, Arizona
 - CS 386 - Software Engineering
 - CS 345 - Database Systems
-

Work Experience

- Worked with a group of fellow students in CS386 creating a rpg styled round based game.
-

Skills

- Database Management, Web Development, Game Development (Godot/Unity), IT Support & Troubleshooting.
 - **Languages** - Python, Java, JavaScript, C, GitHub
-

Interests

I enjoy watching football now that it is in season again, playing video games and playing with my two cats. I like game and web development and problem solving through coding.

Manjot kaur

- **Major:** Computer Science
- **Hometown:** Kent, WA

Education

- **Institution:** GEMS Cambridge International School
Location: Hoshiarpur, Punjab, India
GPA: 4.2
- **Institution:** Northern Arizona University
Location: Flagstaff, Arizona
 - CS 480 - Operating System
 - CS 345 - Database Systems
 - CS 386 - Software Engineering

Work Experience

- Worked with a group of fellow students in CS386 creating an open source desktop application designed to calculate study abroad students expenses.
- Worked individually in IMG-420 designing a 2-D Game.
- Worked individually in High School creating a desktop application designed to store and access data on medicines.

Skills

- **Technical:** Python, MySQL & Database Management, Web & Mobile Development, Statistical Analysis, Godot
- **Soft:** Communication, teamwork and problem-solving

Interests

In my free time, I enjoy hanging out with my friends. I am also involved in several clubs, including the Blue Key Club, where we participate in volunteer work every Saturday. I love spending time talking with my family, and I also enjoy playing basketball.

Moraa Morara

Major: Computer Science

- **Hometown:** Maricopa, AZ

Education

- **Institution:** Mesquite High School
Location: Gilbert, Arizona
GPA: 4.8
- **Institution:** Northern Arizona University
- **Location:** Flagstaff, Arizona
 - CS 386 - Software Engineering
 - CS 345 - Database Systems

Work Experience

- Worked with Eclipse to develop a grading platform integrating GUI and UI/UX

Skills

- Database Management, Web Development, IT Support & Troubleshooting
- **Languages** - Python, Java, JavaScript, C, GitHub, Eclipse,

Interests

Heavily musically inclined I love anything that has to do with music or dancing. I love reading and art this feeds into my love for web development.

Nasya Valenzuela

- **Major:** Software Engineering
- **Hometown:** Phoenix, AZ

Education

- **Institution:** Copper Canyon High School
Location: Glendale, Arizona
GPA: 3.8
- **Institution:** Northern Arizona University
Location: Flagstaff, Arizona
 - CS 386 - Software Engineering
 - CS 345 - Database Systems
 - CS 440 - Software Architecture

Work Experience

- Worked with a group of fellow students in CS386 creating an open source web application designed to teach coding to people of all ages.
- Designed website for construction company

Skills

- Web development, database management
- **Languages** - Python, Java, JavaScript, C++, GitHub

Interests

I like to spend my free time cooking and baking, painting, spending time with my cats and being outdoors with my family. I enjoy working in innovative software that will have a positive impact and be accessible to everyone.
