

Haiyu Wu

(571)-313-9148

hw346@nau.edu | <https://github.com/SteveXWu?tab=repositories>

Qualification Summary

- Proficient in java programming language.
- Foundational knowledge of Python programming language.
- Three years' experience working on engineering group projects.
- Enthusiastic to acquire any experience in design artificial intelligence and machine learning.
- Strong ability to handle ambiguous or undefined challenges in teamwork.

Education

- Northern Arizona University, Flagstaff, AZ Expected Graduation May 2020
 - B.S. in Electrical Engineering, GPA 3.79/4.00
 - Emphasis in Computer Science
 - Global Achievement Award September 2018
- Xi'an Technological University, Xi'an, Shaanxi Expected Graduation May 2020
 - B.S. in Electrical Engineer
 - Emphasis in Automation

Relevant coursework

- **Data Structures** January 2019 - Present
 - Creating written artifacts by using knowledge, analysis, and synthesis of data structures and standard algorithms.
 - Developing software products which needs selected data structures and/or incorporate algorithmic solutions.
- **Computer Science II – Java language** September 2018 - December 2018
 - Intermediate computer science, emphasizing algorithm design, object-oriented programming, and data structures.

Projects

- **Projects of Java language** September 2018 – Present
 - There are 18 projects in my GitHub account, which includes file reading, writing, counting; API; game designing; Basic data structure ideas and code writing.
- **Car tracking** October 2016

School science and technology association activities – Xi'an, China

 - Gained familiarity with the use of photoresistors.
 - Based on the circuit design diagram, completing the welding, wiring of the circuit and disassembly and assembly of the car.

Volunteer

- **Cultural exchange** – Flagstaff, AZ November 2018
 - Exchange the festive customs and culture of China and United States.
 - Teach local students the basic Chinese pronunciation and meaning.

Foreign language

- Native mandarin speaker and fluent English

Club and organization

- IEEE (Institute of Electrical and Electronics Engineers) February 2019
