

Hozhoni Art Device Team A #17

ME 486C - 02

2/15/2017

Team Minutes Week: 5

3:30pm to 5:45pm

Location: EGR Building

Recorded by: Waleed Ahmad

3:30pm - Updates

- Updates to our manufacturing process, how much we have accomplished
- Discuss if any member wants to make a change to our design

4:00pm - Manufacturing

- Plans for manufacturing the parts we are finding difficulties with (like the legs for example)
- Discuss the possibility of adding new parts that may enhance the performance of our design.

4:30 - DOE

- Discuss what DOE is again
- Review slides by each member individually
- The team decided on four DOEs to be used.

4:50- Report

- Start writing chapters 6 and 7
- Assign writing to team members
- Report parts for the parts that are already manufactured should be finished.

5:40 – Plans for next Meeting
