## Relevant Experience

---

### 2023 SAE Aero Design Competition / Logistics Manager

AUGUST 2022 - APRIL 2023, Flagstaff, AZ

SAE Aero Design challenges university students to assume a system engineering approach to design and prototype a radio-controlled aircraft. Students analyze requirements, perform trade-studies, present a technical design report and build a prototype aircraft to match the requirements.

---

## Education

---

### Verrado High School / High School Diploma

AUGUST 2015 - MAY 2019, Buckeye, AZ

I graduated with a 3.7 GPA and in the top 20% of my graduating class. Verrado has a well respected Engineering program in which I was a part of for all four years of my attendance.

---

### Northern Arizona University / BS in Mechanical Engineering

AUGUST 2019 - MAY 2023, Flagstaff, AZ

I am currently working towards my Bachelors in Mechanical Engineering and am expecting to graduate in May of 2023. My current GPA is 3.29.

---

## Awards

---

### Dean's List

AUGUST 2019

Awarded by Northern Arizona University.
