Disciplined | People and Service Oriented | Driven Student

PROFESSIONAL SUMMARY

Mechanically inclined and hardworking engineering student in my final semester at Northern Arizona University, pursuing a B.S. in Multidisciplinary Engineering. I have hands-on experience in residential repair, basic automotive maintenance, and general labor. Strong background in customer service across a range of environments that require both technical skill and clear communication. Dependable, quick to learn, and committed to bringing a strong work ethic and service-oriented mindset to where I am planted.
